He dethe Spokane Indian reservation-the mands his release through habeas corred and white envelopes call for land pus proceedings on the ground that be

For three days the state has been his chance.

At midnight about thirty early enthusinsis, hoping to coax luck by being the very first, hurried to take the oath before the notaries and started the applications on their way. But the real rush began early this morning; and all day crowds have been coming. Tonight wife.

Fearful of Results.

while testifying. She was quoted afterwards as saying that she testified because of the treatment she received at the hands of the Thaw family, but on the stand she apparently struggled hard

"Did Harry K. Thaw threaten to take your life?" she was asked di-rectly by Deputy Attorney General

lowed not to answer because she said she knew she would incur Thaw' urday when the first crowds from the east come in from Missoula and Kalispell.

In Superintendent Witten's office, twelve assistants are receiving and assorting the red, white and blue curvelopes, each class being put in a big metal box by itself. These boxes will be constantly under guard until the drawing takes place next month; and from Angust 5 to August 9 they are to be under seal.

Realizing that if 100,000 people apply for lands in three reserves more than 90,000 must fail to draw winning numbers, the business men of Spokane

she knew she would incur Thaw's everlasting animosity; and her attitude indicated she believed he might carry out his alleged threat. She also surged with some show of feeling that she was still Thaw's wife, and no matter how he had treated her she did not want to testify against him. But the court ruled that the only possible grounds upon which she could decline to answer were that it would tend to incriminate her, and he added he did not see how that would be applicable to her situation.

Then she said in a low voice:

"Yes, he did."

CROMER, Eng., July 15.—The Brit is submarine designated as C 11 was sunk last night by the cargo steamer bow he had treated her she did not want to testify against him. But the grounds upon which she could decline to answer were that it would tend too incrementally the cargo steamer bow he had treated her she did not want to testify against him. But the way to testify against him. But the way to the curry of the Raysborough lightship.

Thirtren members of the Yessel's from an work were that it would tend too increments as the did not want to testify against him. But the way to testify against him also such was sunk last night by the cargo steamer bow he had treated her she did not want to testify against him. "What did he say then?"

"What did he say then?"

"Wa were discussing his mental conther.

At the close of the first day of registration for the Spokane, Couer d'Alene and Flathead reservation lands, it is estimated that 28,000 applications have been filed.

Of these i0,000 are at Spokane, 10,000 at Couer d'Alene, 4000 at Missoula and 4000 at Kulispell. No accurate account is possible, as some notaries do not keep any record of the applications sworn to before them.

It is possible that the first day's registration is heavier than it will be on any one of the succeeding nineteen days, as many persons seemed possessed of an idea that there was some advantage in being first.

We were discussing his mental condition, I had asked him what he meant and he said:

'You know I was not erazy the night that I shot White.'
